

## Block 19: 501 - 545 Main Street, Lots 1 - 12

Illustrated here are two early periods of structural development across Main Street from this location. There were only four buildings occupying four of the twelve lots on the block, circa 1880-1883. The one story building at 515 Main is thought to be the site of the first jury trial in Duray during the 1870's. Between 1881 and 1893 the block was completely filled with substantial buildings. The artist has made every effort to accurately reproduce these structures from archival photographs.
